

It's a Nautical Night as the Greater Federal Way Chamber honors businesses with Impact Awards as part of its annual Gala on November 15, from 5:30-9 p.m., at the Woodbridge Corporate Park headquarters building.

Chamber businesses are setting the pace for economic success in a global marketplace. Our annual Gala celebrates not only leadership, but also the vision we all share for a strong, innovative, and regionally connected business community.

**The 2025 Impact Award recipients:** Courtyard Marriott, Seattle-Federal Way will receive the Business Impact Award, Camp Kilworth will receive the Community Impact Award, and the Seattle Seawolves will receive the Regional Impact Award. The President's Award will go to the Walmart Supercenter.

- *The Business Impact Award* recognizes leadership in providing unique opportunities for business growth through economic initiatives, participation in community and business projects, and a commitment to enhancing economic growth in the region.
- *The Community Impact Award* recognizes leadership which serves as a model of inspiration in personal, professional and volunteer efforts; a track-record of community enhancement through projects designed to make a difference; and service to the community.
- *The Regional Impact Award* recognizes leadership in economic development initiatives of the south King County area, leadership in the development of the region, and an inclusive approach to new and existing business opportunities within our regional corridor and the global marketplace.
- The President's Award recognizes a member business who generously takes that extra step to help the Chamber achieve organizational effectiveness. The Award honors that special commitment of the member, often working behind the scenes, to volunteer time, services, equipment, and other support which helps to sustain the Chamber's overall program of work.

We invite you to donate an item, service, or experience to the auction. We are also seeking gift cards for the prize wheel. Sponsorship opportunities and table reservations also are available. We look forward to sharing this great event with both your donation as well as your attendance.

A procurement form is attached for your convenience. More information is online at [fedwaychamber.com](http://fedwaychamber.com) or contact the Chamber at 253-838-2605.

Ahoy--

Rebecca Martin, CCE  
President and CEO
